## HOSE TROLLEY BENEFITS

The FPL Hose Trolley is a robust, evenly balanced, heavy duty engineered product made for easy use and handling in and around the Nursery and Garden Centre.

It has been hot dipped galvanised both inside and out to prevent rusting and increase life span.

Will hold up to 100 metres of ¾" hosepipe

Has facility to clip the lance to the trolley to avoid damage

A housing plate for a feeding injector can be added as an optional extra

We Offer a Choice of Roses

<u>Diameter</u>	<u>Flow Rate</u>
60cm	10 Ltrs in 45 Seconds
70cm	10 Ltrs in 35 Seconds
80cm	10 Ltrs in 25 Seconds
